

The following information is intended to clarify any confusion regarding the CB East Football Parent Club Scholarship Application.

- The first form in the packet asking for general information is to be completed in full. This is the application form.
- The completed Scholarship Application provides consideration for all three Scholarships (Brandon Boger, Dr. Coverdale, and Colby Umbrell.)
- The essay prompt was changed this year. The prompt should read:

How has the past football season helped to prepare you to deal with adversity in your life?

- Once the applications and essays are received, information regarding GPA and SAT scores will be verified with the Guidance Counselors at East.
- A list of Colleges or Universities to which you are considering attending should be listed on a separate page.
- Letters of recommendation and teacher evaluation forms should be sent directly to a member of the 2009 coaching staff, and academic teachers along with the attached pre-addressed envelope. Please have your essay forwarded to me by **February 28th**. The Parent Club Board will be reviewing all applications at the first board meeting in March and will vote on the essays at our second board meeting in March.

Should you have any further questions, please email bed41@comcast.net.

Thank you.
