Property Tax Information

The City of Philadelphia has purposed an increase on property taxes. Many however are unaware that there are programs available to assist senior citizens.

Below you will find the name and information of specific programs that may be able to assist you.

Senior Citizen Low Income Special Tax Provision Program

The program allows qualified homeowner's Real Estate Property tax rate to remain the same even if the BRT has increased the taxable assessed value of the residential property. If accepted into the program, your current tax rate will remain frozen for all the subsequent years of ownership. Note: based on your income.
